Hiya, gang! "Worlds Unite" has reached its end, which means that its time for the glorious return of the people's letter columns! Send us your letters and fan art and it might just appear in print!

Let's blast through with Sonic speed!

Dear 'My Sonic Universe,'
Can you please make a story based on the game *Sonic and the Black Knight*? (P.S. if you say "no" I will respond with a lot of pleases!!)

Dustin H.

A comic adaptation of "Black Knight" was featured in Sonic #197! You can also read it in the Sonic Select: Vol 9 graphic novel, available now at ArchieComics.com! Enjoy, Dustin!

Oh. Hi there! (trololololololo) ^_^

Dear 'My Sonic Universe,'
I have a couple things I'd like to know!

1.) I loved the *Sonic the Fighters* adaptation some few issues ago. I was wondering when the next time we would see Honey and Breezie will be!

I'm sure we'll see both of these classy ladies back soon along with a few new ones. Hang tight!

2.) Will we ever get a story arc in *Sonic Universe* having Silver and Blaze (my two favorite characters) fight Eggman Nega or Mephiles? If so, that would be awesome.

Thomas W. sent to
Sonic@ArchieComics.com

Thanks for the letter, Thomas! No immediate plans for Blaze, Nega or Mephiles, but Silver is featured in this very story arc! We hope you like it and all the hard work our great writing and art team have put into it!

Dear 'My Sonic Universe,'
I finally had some questions I wanted to be answered by a person who actually knew the answers.

Okeedokee!

Let's start off with the aftermath of the "Pirate Plunder Panic" story arc:
1.) If Captain Metal is still alive and has possession of the Wily Egg, does that mean that he'll come back for revenge?

Right now the Wily Egg -- now known as "The Egg O'War" -- lies broken at the bottom of Blaze's world's ocean. Whether or not we'll see the sentient Death Egg again is yet to be revealed...

2.) I got really confused when the 2nd crossover event happened, so I want to ask if Sigma used another Genesis Wave to fuse the worlds, or if he just fused them without it.

No Genesis Waves this time -- Sigma fused both worlds using the power of Dr. Eggman and Dr. Wily's diabolical Master Engine and Unity Engines!

3.) I read part 8 of the Worlds Unite story arc, and I started to think: Will Sticks go back to her world and ask *Sonic Boom* Sonic (and the gang) to help with the fight?
